## **Latest Holy Family news .....**

Dear Parents

In Monday's assembly the focus was on Corpus Christ (The Body and Blood of Christ). The children thought about the symbolism of the bread and wine as the body and blood of Christ and were given opportunity to consider what a special gift this is. During assembly we prayed for the children who made their First Holy Communion at Holy Family Church on Sunday.

The weather has been particularly warm recently, please can your child come into school with a clear plastic water bottle, a sun hat and sun protection already applied. We encourage the children to drink as much water a possible throughout the school day and we are very lucky that we have water coolers so that we never run out!

Over the last couple of weeks we have noticed a growing number of children have been late for school. When a child is late for school it has a huge impact on their learning, as they miss out on morning instructions and they are then trying to catch up. When this is the case poor behaviour choices can sometimes be made. This is also a safeguarding issue because our pupils should be in school for the start of the school day. Of course, we want to work with you and we know that at times it is unavoidable. Please let us know if there is anything we can help with to improve punctuality. If your child is late for school, please can you come into school with them and sign them in. Similarly if you wish to take your child out of school early eg. For a dentist appointment, they will also need to be signed out by you.

Many thanks for your continued support.

Best wishes

Mrs Westray
