

The Reading Buzz

Dear Parents

We are continuing our focus on encouraging all Holy Family children to read for pleasure. We are going to do the 100-hour reading challenge again after half term, charts will be sent home after the half term break, please record how many minutes your child reads for and return on a Friday. Research shows just 10-minutes reading or being read to a day makes a huge difference in a child's development.

Reading Champions

Children who are enjoying reading regularly are being rewarded with book marks and stickers.

Reading Festival

A week of reading through different activities. Children can also dress up as their favourite character.

Trading cards game

Children will create their own trading cards based on their favourite book characters, the cards will be printed and used as a top trumps equivalent game.

Library Visits

Classes will be attending the library at different times.

Favourite Book

We would like to hold our own vote to find out which is schools top 5 favourite books. More details to follow after half term.

Book Club

A book club will be starting at lunchtime for different groups of children.

Extreme Reading

It would be great to have pictures of children reading in unusual places for us to display on our book board.

Thank you for your support. Happy Reading!
