

Music Curriculum – Vision

“Come, let us sing for joy to the Lord; let us make a joyful noise to the rock of our salvation”

Psalms 95:1

The vision of Music at Holy Family Primary School is that every child receives rich and diverse music curriculum teaching that helps them to adopt and use music as a positive means of expressing themselves. They will understand the role of music in different cultures and an appreciation of the diversity that music celebrates and promotes.

We aspire for our children to derive joy and pleasure from music and engage with singing on a personal and collective level. We want our children to use music to reach out to others through music and provide opportunities for children to perform with pride and passion, creating a sense of togetherness and fulfilment.

Music is fundamental to the wider Holy Family Primary School mission to “learn together and look after each other by showing respect and understanding”. We see music as an integral part of worship and praise and this is practised through our assemblies and masses.
