| Tuesday 1 July | - | Our Lady's Catholic High School's School Production primary matinee for Year five pupils |

Latest Holy Family news

Dear Parents

Happy Easter and welcome back! The children have happily returned to school and it is wonderful to watch them arriving in the morning smiling and often running!

To continue through our Easter journey the whole school participated in a reflective and prayerful assembly to enable us to think about how we can encounter the risen Jesus in a personal way. The joy of Easter is certainly alive in our school as our children enjoy themselves and work hard throughout the school day.

We are constantly striving to improve our school in every way possible and always emphasise to the children that every child represents our school. The importance of wearing the correct school uniform and sensible school shoes is central to this. Please can you support us with this by checking your child as they leave you in the morning.

Please can any of the more extreme haircuts be left for the summer holidays. Piercing ears is also best left until then also.

If you need any clarification please do call into school and either myself, Mr Barlow or Mrs Harrison will be more than happy to talk to you.

Many thanks as always for your continued support.

Best wishes
Mrs Westray

Easter Season

Before the Easter break we mentioned that we would be holding our normal Easter Bonnet Parade and Easter Eggstravaganza on our return to school. This will now go ahead on Friday, 28th April. Please bring in your child's design to the school office on the morning of Thursday, 27th April.

Dance Lessons

Next week's dance lessons are cancelled and will take place as normal the following week. Please collect your children at the normal time next Thursday. Thank you.

Sportz 4 All

Your child will also be bringing a letter from the Sportz 4 All team tonight. We apologise for the lateness of this letter and hope that, if your child would like to take part, you will be able to return it on Monday morning.

Online Safety

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools, support and guidance to help parents and carers have conversations with their children about their online lives.

As part of this, they're running free online safety workshops for parents and carers and we will be hosting one **here in school at 2pm on Wednesday 26th April**. We would like to invite **all** parents and carers to join us.

The hour-long workshop will help parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online.

Don't miss out on this great opportunity. Please let us know at the school office if you are able to attend.
