

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

Reception REMOTE LEARNING PLAN

Date: 12th January 2021

Holy Family R.C. Primary School

CORE LEARNING TASK FOR ENGLISH

I can't wait to hear how we change the story today! I wonder if you can predict what might change?

<https://classroom.thenational.academy/lessons/to-recycle-a-story-and-create-a-new-one-cgrk0c>

CORE LEARNING TASK FOR MATHEMATICS

This week we will continue with our mastery of numbers 0-5. By the end of this week I wonder if you be able to quickly recall all of the different ways to make five?

Alive in 5 Week 2

Session 2

Please watch the video and then complete the activity which can be done practically rather than printing.

PHONICS

In phonics this week we will continue practising our sounds and using the sounds to blend. You can find some free ebooks to read on the Oxford Owl website

<https://home.oxfordowl.co.uk/>

There are also lots of free Phase 2 games that Phonics play are very kindly giving us free access to during lockdown.

<https://www.phonicsplay.co.uk/>

You may log in with the following details:

username: jan21

password: home

I would also like you to have a go at writing some 3 and 4 sound words each day.

Sounds to date

WIDER CURRICULUM TASK

Science-Our Science this week is based around the weather it is on a site called Developing Experts-you can find your own individual password on a separate observation entitled "Science Website Login"

<https://www.developingexperts.com/>

Once you log on you will find some information - if you work through the presentation and then talk about the words and do the quiz then that would be great. Some of the activities may be difficult to resource but we are lucky enough to be experiencing some icy weather at the moment so the children have a real life opportunity to feel and see it.
