

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

YEAR 2 REMOTE LEARNING PLAN

Date 19th January

CORE LEARNING TASK FOR ENGLISH

LO: To explore how writers create mood in stories.

1. Watch the video and pause to consider the elements that create mood : actions, appearances, thoughts, feelings.
2. Read/listen to the passages carefully to decide what mood is being created and what evidence there is from the story.

Watch the following video link to Lesson 7 of 10.

<https://classroom.thenational.academy/lessons/to-explore-how-writers-create-mood-6rvk4e>

Top tip : Parents. It may help to re-read some of the passages to your children and emphasise through expression the mood generated by the text.

CORE LEARNING TASK FOR MATHEMATICS

LO: To find change.

We are following the White Rose Maths daily lesson schedule.

1. Watch the following video link.
<https://vimeo.com/479816820>
2. Complete the worksheet, this can be found on today's observation labeled 'Year 2 Home Learning -Tuesday 19th January' on Tapestry

Top Tip :

Number bonds to 100 will help with change from £1. Remind children that when we make 100, 9 tens plus 10 ones is equal to 100.

Subtraction using a bar model can also help here.

Use this website to practice finding change.

KEY VOCABULARY

actions, appearances, thoughts, feelings
change, subtract
balanced diet, portion size, vitamins,
ingredients, healthy, nutrients

WIDER CURRICULUM TASKS

Science

LO: To explain what a balanced diet is and discuss why a balanced diet is important.

Today we are going to analyse your, or someone else's food journal. (these were sent out last week)

Please log in to Developing Experts and watch the lesson about how to keep healthy through diet.

<https://developingexperts.com/>

If you have completed your food journal, can you review the balance of different food types in your meals and think about any choices you could make as a family next week which would be healthier?
