

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

NURSERY REMOTE LEARNING PLAN

Date: 21st January 2021

Holy Family R.C. Primary School

Story time

Time to check the weather and add to your chart! Take a look at your rain gauge too if you made one.

Today we will listen to one of the Bible Stories – Noah's Ark

https://www.youtube.com/watch?v=gGAc_aFfWmiQ

Your word to listen for is flood. A flood happens when there is an overflow of water or there is too much!

Why did Noah build an Ark?
What do the Dove and the rainbow represent? Peace and God's promise.

The Animals Went in Two by Two!

Listen to the following song and join in if you can!

<https://www.youtube.com/watch?v=0mrbsusOGM>

If you would like a challenge could you collect PAIRS of items? Pairs means that there are two of the same thing.

Noah's Ark

There were lots of different animals on Noah's Ark.

What pairs of animals did you see on Noah's Ark?

Do you think that the animals are used to living on a boat - where would the animals usually live?

It is our job to look after God's world. What can we do to care for all the animals on our planet?

Can you make/draw a home for one of them, or even make/draw your own Ark which floats to keep them safe through the flood!

Flood!

This might get a little messy so you might need some towels! Grab a bowl full of water. How many items do you think you can get into the bowl before the water overflows?

Have a guess before testing out your prediction! Watch the water get higher and higher. Could you try to get the water to the top without it flowing over and flooding?

Phase 1 Phonics: Percussion, musical performance

Can you create your own piece of music? You could also put actions together with your song. If you are feeling like a challenge could you make your own words? Show each other your pieces of music and talk about what you liked about it!

Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes.

Numberblocks and Alphablocks are good educational programmes to watch at home to support development. Phonics play is also free currently. In nursery we focus on Phase 1:
