Story time

Next weekend is the RSPB “Big Garden Birdwatch”, so let’s do some bird and nature themed learning this week!

Here is the story The Ugly Duckling:

Listen for the word finally, which means last or at the end.

There are lots of resources and opportunities to explore today and throughout the whole week on the RSPB website.

Bird Craft

Can you create your own bird?

You might use collage, pencils, paint, natural resources – anything you like.

Which bird have you made? How can you tell?

There is a pdf attached to tapestry with some of the birds you might see around for inspiration if you need.

The number two!

Let’s refresh and recap the number two. Try to trace the number in the air. Try to recognise when there are two objects. This episode of Numberblocks is all about the number two.

Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes. Numberblocks and Alphablocks are good educational programmes to watch at home to support development.

Phonics play is also free currently. In nursery we focus on Phase 1:

How to be kind to the duckling.

Talk about the duckling in the Ugly Duckling story. How would you make him feel happy if you had seen him feeling sad?

You could have a try at the matching game on the story site, or make one of your own at home.
