

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

NURSERY REMOTE LEARNING PLAN

Date: 27th January 2021

Holy Family R.C. Primary School

Story time

Next weekend is the RSPB "Big Garden Birdwatch", so let's do some bird and nature themed learning this week!

Here is one of our favourite stories from nursery, Owl Babies

<https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/owl-babies/>

We have talked about the word brave in nursery before, can the children listen for it and remember what it means?
Could they use it in a sentence?

There are lots of resources and opportunities to explore throughout the whole week on the RSPB website.

Flying!

How do birds travel through the sky? This is a great opportunity to talk! Where do they rest?

Can you create something that flies or floats in the air like a real bird?

It could be a paper aeroplane or a paper bird that hangs on string.

Be as creative as you like!

The number two!

Here is a lovely song to watch and sing along with to practice counting all the way up to 10! You could try to make a dance to go along with it too.

Thank you to all for engaging with our home learning ideas. The main things to keep doing are reading, talking as much as possible and singing your favourite songs and rhymes. Numberblocks and Alphablocks are good educational programmes to watch at home to support development.

Phonics play is also free currently. In nursery we focus on Phase 1:

Bird food

What do birds eat?

If you were going to make a cake for a bird what would you put in it?

Worms love the wet weather.

If you go outside with an adult (in your waterproofs!) can you see any wiggly worms and count them?

Perhaps look under leaves and tree logs.
