

HOLY FAMILY CATHOLIC PRIMARY SCHOOL

YEAR 2 REMOTE LEARNING PLAN

Date 27th January

CORE LEARNING TASK FOR ENGLISH

LO: To identify, discuss and collect favourite words and phrases.

I love our book "The Disappearing Moon" because of the rich vocabulary and fabulous phrases it introduces.
e.g "electric hush" "miraculously transformed"

Read the pdf version of Chapter 1 or listen to it read by me (both from Monday's Tapestry observation)

I would like you to collect your favourite words and phrases in the same way as I have modelled on today's Tapestry observation.

Top Tip :
Use the word rap to help practice favourite words.

Online dictionaries can help but you may need to explain the word in a more familiar context to your child. e.g hooked you could explain the meaning for a fish but the context here means devoted to, or obsessed with. (a TV program or game perhaps?)

CORE LEARNING TASK FOR MATHEMATICS

LO: To redistribute from unequal to equal groups

1. Watch the following video link.
[Aut2.12.3 - Redistribute from unequal to equal groups activity on Vimeo](#)
2. Complete the questions as you watch the video.

Top Tip: with items you can find around the house: pencils, cakes, sweets etc. play around with reorganising them into equal and unequal groups.

This is also a good video to watch:

WIDER CURRICULUM TASKS

RE: LO: To know that Jesus worked a miracle to feed the hungry crowd and be aware that Jesus asks us to help others in need.

Watch the story below about the feeding of the 5,000.

Jesus took what little the boy had, and did something amazing. He can do the same with our lives, when we are willing to bring Him whatever we have. It doesn't have to be much, but done with love.

Activity : What can you bring to Jesus that can be shared with many others? Draw or write about the gifts that, through Jesus' love, you can bring to others. Remember gifts can be your actions or talents. Enjoy this sung version of the story
